Mr. Walbright:

The Air Pollution Control Division (Division) reviewed and approved the information supplied with the self-certification for the construction permit listed below. Through this letter, you are issued this final approval to operate under the terms and conditions of the permit. **This final approval to operate letter is valid upon issuance and a copy shall be maintained with the associated permit to demonstrate self-certification is complete.** This letter shall be made available to the Division for inspection upon request.

Company Name:	Flexential Corporation				
Source Name:	Compark Data Center - Emergency Engines				
Source Location:	8636 South Peoria Street, Englewood, Douglas County, Colorado				
Make:		Model:		Serial #:	

Permit Number:	21DG0377	Issuance 1
AIRS ID:	035-0754-006 thru 015	

This letter contains Make, Model, and/or Serial numbers that differ from the Issuance 1 permit, and the details listed here supersede those in the Issuance 1 permit. See Attachment A.

If required by the permit, the source shall operate in compliance with the most recently approved Operating and Maintenance Plan.

If you have any questions about this approval letter, please contact the Division at 303-692-3189.

Sincerely,

Doug Ryder
Final Approval Coordinator
Air Pollution Control Division

Dedicated to protecting and improving the health and environment of the people of Colorado

Attachment A
